

## Conditions of “Chesslandia Invitation” lichess.org tournament

- The main feature of “Chesslandia Invitation” tournament is that the winner of 1<sup>st</sup>  WorldCup team “Chesslandia” will participate as 4 different teams: “Chesslandia”, “Chesslandia Select 30”, “Chesslandia fan club (only under of 18 years)”, “CL Invited”. All 4 teams will start from qualification rounds and will have a chance to meet in the Final in order to know who is stronger.
- Only teams of Lichess.org with quantity more than 30 members and having tournaments with more than 20 players in their history can participate.
- The tournament is composed of 3 rounds: qualification, semifinals and final.
- Each stage uses below format of tournaments:
  - ✓ Start at Saturday, 19:00 by Moscow time (12:00 by New York time, 21:30 by New Delhi time)
  - ✓ 2+0 • Bullet • 1h 30min.
  - ✓ Battle of 10 teams and 20 leaders
- **Qualification round is going on 28 of November 2020** (16 qualification groups of 10 teams, 2 best teams of each group go to semifinal, 3-10 places eliminate the tournament).
- **Semifinals 05.12.2020** (4 semifinals of 10 teams, 2 best teams from each semifinal go to the final).  
8 teams – participants of “1<sup>st</sup>  WorldCup Final” have places in semifinals in advance (2 places in each semifinal). These are teams: “Team Alpha 

 \$20 – 1<sup>st</sup> place in each qualification group

 \$50 – 1<sup>st</sup> place in each Semifinal

**Prize fund of Final is    \$1000.**

 1<sup>st</sup> team - \$500

 2<sup>nd</sup> team - \$300

 3<sup>rd</sup> team - \$200

- If 2 days later after each round will discovered that account of somebody from TOP-20 players of a team was closed or interrupted user agreement of Lichess.org (cheating), then the result of such team will recalculated. The result of wrong player will subtracted and instead of it will used the result of next 21<sup>st</sup> member of team (if such player participated in tournament). Accordingly, if there will be 2 or more wrong players, then the results of 22<sup>nd</sup>, 23<sup>rd</sup> and so on players will used.
